

ALLEGHANY 4-H 2023 FALL PLANT SALE

FRUIT TREES

APPLE

\$35 per tree		
{3 gallon container}	Quantity	Total Cost
Arkansas Black: Dark red-purple apples: Sharp flavor has a sweet aftertaste; Harvest in November; Needs a pollination partner of a different variety nearby		
Empire Dwarf: The flavor of McIntosh with the sweetness of Delicious. Disease-resistant to fire blight and cedar apple rust. Ripens in September. Pollinator required		
Fuji: One of the sweetest apple varieties. Round, medium to large in size, is usually green or yellow-green, with red highlights or a pink flush. It may have a speckled or striped pattern. A favorite for fresh eating; also makes a delicious cider. Ripens late September and October. Pollinator required.		
Gala Dwarf: Delicious snacking apple - large, crisp and firm and have a delicious sweet, tart taste. Great in pies and sauces. Self-fertile and does not need a pollination partner, but fruiting will usually be improved if there is a compatible partner of a different variety nearby		
Winesap Dwarf: Dark red fruit; crisp, very juicy yellow flesh with a balanced high sugar high tartness flavor that is known for it's spicy, wine-like flavor and aroma. Ripens in late October. Needs a pollination partner of a different variety nearby		
Yellow Delicious: Sweet and juicy with a hint of spice; highly productive. One of the most dependable pollinators for other varieties. Ripens in late September. Self-pollinating.

FRUIT TREES, CONT'D.

PEAR

€35 per tree		
{3 gallon container}	Quantity	Total Cost
Moonglow: Big, bold, blushed fruit. Bartlett-type pear is soft and juicy without being mushy. Disease-resistant to fire blight and will bear fruit for years. A strong pollinator for other pear varieties. Harvest in September		
Ayers: Yellow pear with a red blush. Old southern favorite with a smooth, sweet and melting flesh. Self-pollinating, but production will increase with other varieties planted nearby. Can be picked and allowed to ripen off the tree for several days before eating. Very high sugar content. High resistance to fire blight.

HERBS

€7 per plant		
{1 quart container}	Quantity	Total Cost
Basil ~ Sweet, peppery flavor, aromatic. Uses: chicken, eggs, fish, pasta, pesto, tomatoes, Italian and Mediterranean recipes		
Basil (African) ~ This variety overwinters indoors, producing fragrant leaves year-round for cooking or ornamental use. Uses: pesto, soups, salads and dishes containing tomato, squash, beans, chicken, fish or red meat.		
Catnip ~ Use in teas; fragrance for cats.		
Lavender ~ Gives off an intoxicating perfume; Ideal for culinary use because it's rich in essential oils. Uses: Continental cuisine, baking, teas, jellies, sugars, salts		
Lemon Balm ~ Mint-like leaves, also called balm. Sweet, lemon flavor with a citrus scent. Uses: Jams and jellies, salads, soups, teas		
Mint (Grapefruit) ~ Bright green leaves boast a taste that resembles spearmint with a twist of unsweetened grapefruit. Use fresh or dried leaves for garnish or in beverages, fruit salads, dessert		
Mint (Peppermint) ~ Used in drinks, salads, desserts, sauces or as a garnish. Attractive to butterflies; fragrant		
Mint (Spearmint) ~ Great for garnishing and adding unique flavor to any recipe. Use fresh leaves to add subtle mint flavor to dishes and drinks or dry the leaves to make your own homemade tea.		
Mother of Thyme ~ Commonly known as Creeping Thyme. An easily grown, spreading thyme variety. It is excellent planted as a lawn substitute or among stepping stones. Just like other thyme varieties, creeping thyme is edible with a flavor and aroma akin to mint when crushed or steeped for teas or tinctures.		
Oregano (Golden) ~ Strong, aromatic with a pungent "pizza" flavor. Uses: Fish, meat, poultry, tomato sauces; Greek, Italian and Mexican recipes		
Parsley ~ Delicate, slightly peppery taste. Uses: Sprigs used as garnish, herb mixtures, sauces, soups, stews.		
Rosemary ~ Sweet, hint of lemon and pine. Uses: Casseroles, fish, fruit salads, lamb, chicken, soups, stuffings, tomato sauce		
Sage ~ Musty, minty, slightly bitter, "sausage" flavor. Uses: Chicken, duck, goose, pork, sausages, stuffings
